### PURPOSE

Dual-degree student at Northwestern University pursuing Journalism and Social Policy with a double major in Environmental Sciences. Dedicated to advancing environmental justice, social equity, and public health for marginalized communities. Experienced in community-based research, investigative reporting, and policy analysis through roles with Indigenous STEAM and the Medill Investigative Lab. Skilled in transforming complex data into accessible narratives that highlight systemic inequities and drive public impact. Seeking opportunities to apply communication and research expertise to initiatives promoting community stability, opportunity, and well-being.

### WORK EXPERIENCE

#### **Data Collector (Extern)** **Indigenous STEAM (ISTEAM)**

 Jun 2025 - current  Evanston, IL

- Collaborated with Indigenous researchers and community partners to collect and analyze data on culturally grounded educational and environmental initiatives
- Supported projects connecting Indigenous knowledge systems with science, technology, engineering, arts, and mathematics (STEAM) learning
- Assisted with youth and community programs focused on lands and waters-based education, environmental stewardship, and well-being

#### **Investigative & Data Journalist**

##### **Medill Investigative Lab—Chicago, Medill School of Journalism**

 Jan 2025 - Jun 2025  Chicago, IL

- Conducted investigative reporting on social and environmental issues impacting Chicago-area communities
- Utilized data analysis and field interviews to uncover systemic inequities
- Made data analyses accessible to the public with GIS and interactive graphics

#### **Undergraduate Research Assistant**

##### **Indigenous STEAM (ISTEAM), Northwestern University**

 Jan 2024 - May 2025  Remote

- Conducted transcription and data coding for studies on Indigenous-led science education
- Contributed to research design centered on community well-being and environmental education

#### **Repository & Digital Curation Aide**

##### **Northwestern University Library**

 Nov 2022 - Jun 2023  Evanston, IL

## **CERTIFICATIONS**

- Human Research Protections (IRB) Basic
- Responsible Conduct of Research (RCR)
- Digitized a Google book collection dating back to the 1700s to allow online public access to valuable historical resources.
- Created digital access to hundreds of Chicago Transit Authority documents, studies, and reports, allowing for rapid and convenient access to an extensive library of information.
- Worked as an editor for a national preservation guide in partnership with the Library of Congress.
